

**Aldo Leopardi, BDS, DDS, MS**  
***Curriculum Vitae***

**OFFICE ADDRESS:**

7400 East Crestline Circle, Suite 235  
Greenwood Village, CO 80111  
Phone: (720) 488-7677  
Fax: (720) 488-7717  
Email: aldo@aldoleopardi.com

**PERSONAL INFORMATION:**

Place of Birth: Adelaide, SA, Australia

**POSTDOCTORAL TRAINING:**

7/1990 - 6/1993 University of North Carolina at Chapel Hill, School of Dentistry  
Master of Science Degree and Certificate: Fixed and Removable Prosthodontics  
Clinical training also in Maxillofacial and Implant Prosthodontics

1/1996 - 7/1997 University of Detroit Mercy, School of Dentistry, Detroit, Michigan  
Doctor of Dental Surgery, awarded: 7/1997

1/1980-12/1984 University of Adelaide, South Australia, AUSTRALIA  
School of Dentistry  
Bachelor of Dental Surgery, Dental Degree awarded: 5/1985

**LICENSE STATUS:**

5/1999 - Present Colorado Registration

7/1997 - 2002 Michigan Registration

**WORK HISTORY:**

9/1999 - Present Private Practice,  
Practice Limited to Prosthodontics. Aesthetics, Fixed, Removable and Implant  
Dentistry. Greenwood Village, Colorado.

10/1999 - Present Clinical Assistant Professor  
Department of Restorative Dentistry, University of Colorado School of Dentistry.

7/1997 - 8/1999 Assistant Professor  
Director: Pre-Clinical Removable Prosthodontics  
Preclinical and Clinical Instruction  
University of Detroit Mercy, School of Dentistry, Department of Restorative  
Dentistry.

10/1997 - 6/1999 Private Practice Limited to Prosthodontics, Plymouth, Michigan

1/1996 - 6/1997 University of Detroit Mercy, School of Dentistry, Detroit, Michigan

12/1993 -  
11/1995 Sole Proprietor/Practitioner  
Private Practice Limited to Prosthodontics  
Parkway Medical Center  
Robina, Queensland, AUSTRALIA  
Fixed, Removable and Implant Prosthodontics

7/1990 - 6/1993 Assistant Clinical Professor, University of North Carolina at Chapel Hill  
Undergraduate fixed Prosthodontic preclinical and clinical instruction

1/1985 - 5/1990 Private Practice Associateship, General Dentistry  
Dr.'s Winwood and Mann, Elizabeth City Center, SA, AUSTRALIA

**PROFESSIONAL AFFILIATIONS:**

2010 - present The American Academy of Cosmetic Dentistry.

2006 - present The Academy of Osseointegration.

2003 - present The Denver Implant Study Club: *Founder and President.*

2003 - present	The International Congress of Oral Implantologists.
1997 - present	The American Dental Association.
1990 - present	The American College of Prosthodontists.
2000 - 2004	The American Academy of Fixed Prosthodontics.
1985 - 1996	The Australian Dental Association.
<b>PROFESSIONAL MEETINGS ATTENDED:</b>	
05/2019	38 <sup>th</sup> Australian Dental Congress. Adelaide, Australia.
06/2016 04/2015	Advanced Hard and Soft Tissue Regenerative Techniques in Implant Dentistry. Dr. Istvan Urban. Budapest, Hungary.
04/2014	Osteogenics 2014 Global Bone Grafting Symposium. Scottsdale, Arizona.
03/2014	Center for Advanced Dental Education. Dr. Pat Allen. Connective Tissue Grafting. Dallas, Texas.
08/2012	The American Academy of Esthetic Dentistry. Annual Symposium. Naples, Florida.
10/2011	Heraeus 4 <sup>th</sup> International Dental Symposium. Scottsdale, Arizona.
04/2011	BioHorizons Global Symposium. Phoenix, Arizona.
03/2012	High Altitude Bone Management Winter Camp. Jackson Hole, Wyoming
8/2009	International Federation of Esthetic Dentistry 6 <sup>th</sup> World Congress. Las Vegas, NV
05/2018 04/2013 05/2012 05/2011 05/2008	AACD, Annual Meeting. Seattle, Washington. AACD, Annual Meeting. Washington, DC. AACD. Boston, Massachusetts. American Academy of Cosmetic Dentistry, Annual Meeting. New Orleans, Louisiana.
4/2013 3/2012 6/2011 6/2009	Dentsply Ankylos. Frankfurt, Germany. Dentsply Friadent World Symposium. Hamburg, Germany. Dentsply North America Summit by the Sea, Naples, Florida. Dentsply North America Summit by the Sea, Key Biscayne, Florida.
12/2017 12/2014 12/2012 12/2010 12/2008 12/2005	American Association of Oral and Maxillofacial Surgeons, Dental Implant Conference, Chicago, Illinois.
08/2014 05/2013 04/2010 06/2004	ICOI Summer Implant Prosthetic Symposium. Chicago, Illinois. ICOI Spring Implant Symposium. Las Vegas, Nevada. ICOI Spring Symposium and 13 <sup>th</sup> IPS Symposium. New Orleans, Louisiana. The ICOI World Congress XXII, Las Vegas, Nevada.
11/2003	The American Academy of Implant Dentistry 52 <sup>nd</sup> Annual Meeting, Florida
04/2003 10/1994	Nobel Biocare World Conference, Las Vegas, Nevada. Nobel Biocare Team Days Conference, Sydney, Australia.
06/2002 07/1996	20 <sup>th</sup> International Symposium on Ceramics, San Diego, CA 15 <sup>th</sup> International Symposium on Ceramics, Orlando, Florida

2012	American College of Prosthodontists, Annual Session, Baltimore, MD.
2011	American College of Prosthodontists, Annual Session, Scottsdale, Arizona
2000	American College of Prosthodontists, Annual Session, Waikoloa, Hawaii
1997	American College of Prosthodontists, Annual Session, Orlando, Florida
1996	American College of Prosthodontists, Annual Session, Kansas City, Missouri
1991	American College of Prosthodontists, Annual Session, Reno, Nevada
1996 to 1998	The American Academy of Fixed Prosthodontics, Annual Scientific Session, Chicago, IL
3/2018	Academy of Osseointegration 33rd Annual Meeting, Los Angeles, CA
2/2016	Academy of Osseointegration 31st Annual Meeting, San Diego, CA
3/2013	Academy of Osseointegration 27th Annual Meeting, Tampa, FL
3/2011	Academy of Osseointegration 26th Annual Meeting, Washington DC
3/2009	Academy of Osseointegration 24th Annual Meeting, San Diego, CA
3/2008	Academy of Osseointegration 23rd Annual Meeting, Boston, MA
3/2007	Academy of Osseointegration 22nd Annual Meeting, San Antonio, TX
3/2006	Academy of Osseointegration 21st Annual Meeting, Seattle, WA
3/1999	Academy of Osseointegration 14 Annual Meeting, Palm Springs, CA
<b>Regional:</b>	
02/2019	Meisinger's Annual High Altitude Comprehensive Implant Symposium. Vail, Colorado
02/2018	
06/2008	Occlusion I Program: Dr. John Kois, Seattle, Washington
01/2005	Functional Driven Occlusion: Speaker: Dr. John Kois, Denver, Colorado
7/2004	Implant Considerations in the Aesthetic Zone: Sponsor, Nobel Biocare. Advanced Esthetics in the Premier Restorative Practice. Speaker: Dr. Frank Spear, Prosthodontist, Healsburg, California
6/2004	Smart Steps Program and the Atlantis Abutment System. Presenter: Dr. Scott D. Ganz, Prosthodontist, New Jersey Sponsor: Zimmer Dental
4/2004	Implant Assisted Orthodontics and Prosthetic Treatment Planning. Presenter: Dr. Frank Celenza, Orthodontist/Periodontist, Manhattan, New York Sponsor: Dr. Ole T. Jensen, Denver, Colorado
9/2002	Dr. David McFadden, Prosthodontist: ITI Implant Prosthetic Overview Marriot Southeast Denver, CO
6/2002	Restorative and Surgical Considerations in Implant Therapy Nobel Biocare, Yorba Linda, CA, Presenter: Dr. Peter Wohrle
11/2000	Lifecore Biomedical: Restorative Implant Dentistry, Jeff Carlson, CDT
9/2000	Friadent Implant System: Restorative Considerations, Renzo C. Casellini, MDT
10/2000	Nobel Biocare, Replace Select Implant System, Dr. K. Hebel, Prosthodontist
1/2000	The Denver Midwinter Dental Convention, Denver, CO
9/1999	Dr. Howard Landesman, Fixed and Removable Prosthodontics, Denver, Colorado
1/1998	Aesthetic Dentistry for the 21 <sup>st</sup> Century, Dr. Edward M. Narcisi
5/1996	A Potpourri of Prosthodontics, Michigan Prosthodontics Society, Birmingham, MI
<b>PRECLINICAL TEACHING RESPONSIBILITIES:</b>	

6/1997 - 8/1999	Director DCD 829, Preclinical Removable Prosthodontics University of Detroit Mercy, School of Dentistry
6/1997 - 5/1998	Co-Director DCD-833, Preclinical Fixed Prosthodontics I DCD-824, Preclinical Fixed Prosthodontics II University of Detroit Mercy, School of Dentistry
1/1997 - 5/1997	Instructor DCD 829, Preclinical Removable Prosthodontics University of Detroit Mercy, School of Dentistry
9/1996 - 12/1996	Instructor DCD-833, Preclinical Fixed Prosthodontics I University of Detroit Mercy, School of Dentistry
1/1996 - 5/1996	Instructor DCD-824, Preclinical Fixed Prosthodontics II University of Detroit Mercy, School of Dentistry
9/1991 - 5/1992	Fixed Prosthodontics University of North Carolina at Chapel Hill, School of Dentistry
<b>CLINICAL TEACHING RESPONSIBILITIES:</b>	
6/1997 - 8/1999	Senior Implant Program Junior and Senior Fixed and Removable Prosthodontics University of Detroit Mercy, School of Dentistry
9/1996 - 8/1999	Senior Comprehensive Care Prosthodontics, University of Detroit Mercy, School of Dentistry
5/1997 - 7/1997 5/1996 - 8/1996	Junior Complete Denture Clinical Course, University of Detroit Mercy, School of Dentistry
1/1996 - 8/1999	Junior Prosthodontics, University of Detroit Mercy, School of Dentistry
1/1993 - 6/1993	Senior fixed Prosthodontics, University of North Carolina at Chapel Hill, School of Dentistry
9/1990 - 5/1991	Department of Operative Dentistry, University of North Carolina at Chapel Hill, School of Dentistry
<b>DIDACTIC TEACHING RESPONSIBILITIES:</b>	
6/1997 - 8/1999	Director DCD 829, Preclinical Removable Prosthodontics Responsibilities: lecturing, laboratory materials and student evaluation University of Detroit Mercy, School of Dentistry
11/1998	Lecture: <i>Nightguard Vital Bleaching</i> , University of Detroit Mercy, School of Dentistry
9/1997, 10/1998	Lecture: <i>Restoration of Endodontically Treated Teeth</i> DCD-833, Fixed Prosthodontics Course, University of Detroit Mercy, School of Dentistry
4/1997	Lecture: <i>Dental Porcelain and Color Theory</i> , DCD-824, Preclinical Fixed Prosthodontics II, University of Detroit Mercy, School of Dentistry

10/1996, 10/1997, 10/1998	Lecture: <i>Fitting of the Restoration, Solder Relations, Occlusion and Cementation</i> DCD-833, Fixed Prosthodontics Course, University of Detroit Mercy, School of Dentistry
10/1996, 10/1997	Lecture: <i>Materials: Metals and Porcelain, Color Theory</i> DCD-833, Fixed Prosthodontics Course, University of Detroit Mercy, School of Dentistry
10/1996, 9/1997, 10/1998	Lecture: <i>Alginate Impressions and Stone Casts: Material Characteristics and Clinical Technique</i> DCD-815, Essential of Clinical Practice, University of Detroit Mercy, School of Dentistry
9/1996	Lecture: <i>Occlusal Vertical Dimension, Definition and Methods</i> DCD-829, Complete Denture Preclinical Course University of Detroit Mercy, School of Dentistry
8/1996	Lecture: <i>Complete Denture Prosthodontics: Case Presentations</i> DCD-829, Complete Denture Preclinical Course, University of Detroit Mercy, School of Dentistry
4/1996	Lecture: <i>Dental Porcelain: Materials, Laboratory Considerations, Case Presentations</i> DCD-824, Preclinical Fixed Prosthodontics II, University of Detroit Mercy, School of Dentistry
3/1996	Lecture: <i>Materials: Provisional Crowns</i> DH-816, Dental Materials II, University of Detroit Mercy, School of Dentistry
2/1996	Lecture: <i>Indirect Aesthetic Materials: Dental Porcelain and Laboratory Processed Composite Resin</i> , DH-816, Dental Materials II University of Detroit Mercy, School of Dentistry
2/1996	Lecture: <i>Direct Aesthetic Materials: Composite Resin and Glass Ionomer Cement</i> DH-816, Dental Materials II, University of Detroit Mercy, School of Dentistry
<b>CONTINUING EDUCATION PRESENTATIONS:</b>	
06/2019	<u>Advanced Treatment Planning and Restorative Considerations in Implant Dentistry.</u> Sponsor: Implant Educators. Seminole, Florida
05/2019	38 <sup>th</sup> Australian Dental Congress. Adelaide, Australia. Four presentations: <ul style="list-style-type: none"> <li>• <u>Clinical realities of implant restoration in aesthetic zone.</u></li> <li>• <u>3-Unit Bridge vs Implant Restoration.</u></li> <li>• <u>Pink Aesthetic Substitute.</u></li> <li>• <u>Prosthodontic Soft Tissue Manipulation.</u></li> </ul> <u>Complications in Implant Dentistry: treatment planning and restorative concepts to minimize failures and improve treatment outcomes.</u> Louisiana State University Dental Implant Continuum. Baton Rouge, Louisiana
02/2019	<u>Aesthetic Zone Provisionalization in Implant Dentistry.</u> Sponsor: Dr. Dan Cullum, OMS. Coeur d'Alene, Idaho.
10/2018	<u>Dental Implant Pitfalls: what have we learned from our complications?</u> Australasian Osseointegration Society (SA) Inc. Adelaide, SA, Australia

08/2018	<u>3D+ Dental Implant Planning for the Partially Edentulous Patient. Dental Implant Therapy for the Completely Edentulous Patient: be careful what you wish for. Aesthetic Dilemma's: regenerative approaches versus prosthetic equivalents.</u> Australasian Osseointegration Society (SA) Inc. Victor Harbor, SA, Australia
06/2018	<u>Advanced Treatment Planning and Restorative Considerations in Implant Dentistry.</u> Sponsor: Implant Educators. Seminole, Florida
04/2018	<u>Complications in Implant Dentistry: treatment planning and restorative concepts to minimize failures and improve treatment outcomes.</u> Louisiana State University Dental Implant Continuum. Baton Rouge, Louisiana <u>Dental Implant Therapy: a clinical and scientific update.</u> Siouland Oral and Maxillofacial Surgery Study Club. Sioux Falls, South Dakota <u>Complex Case Selection: natural versus prosthetic pink equivalents. Clinical Realities and Considerations for Aesthetic Zone Implant Therapy.</u> American Academy of Cosmetic Dentistry. 34 <sup>th</sup> Annual Scientific Session. Chicago, Illinois
03/2018	<u>Regenerative versus Replicated Tissue in the Esthetic Zone: a surgical-prosthetic showdown.</u> Academy of Osseointegration, 2018 Annual Meeting. Los Angeles, California <u>Clinical Realities of Implant Treatment for the Completely Edentulous Patient.</u> Denver Implant Study Club. Greenwood Village, Colorado
02/2018	<u>Aesthetic Zone Clinical Realities: regenerative approaches versus prosthetic equivalents.</u> Meisinger's 8 <sup>th</sup> Annual High Altitude Comprehensive Implant Symposium. Vail, Colorado
12/2017	<u>Natural Pink vs Artificial Pink to Treat Vertical Bone Deficiency in the Anterior Maxilla: a surgical talk vs a prosthetic talk.</u> American Association of Oral and Maxillofacial Surgeons, Dental Implant Conference. Chicago, Illinois
10/2017	<u>Dental Implant Aesthetic Zone Complications: treatment planning and restorative concepts to minimize failures and achieve patient expectations.</u> Sponsors: Triple-Win Study Club, South Florida Dentists in Pursuit of Excellence and Miami Comprehensive. Miami, Florida <u>Provisionalization in Implant Dentistry. Aesthetic Zone Treatment Planning.</u> Sponsor: Cleveland Academy of Advanced Dental Education. Cleveland, Ohio
09/2017	<u>The Clinical Realities of Aesthetic Zone Dental Implant Therapy.</u> Florida Academy of Cosmetic Dentistry. Orlando, Florida <u>Dental Implant Therapy for the Completely Edentulous Patient.</u> Costa Mesa, California
08/2017	<u>Aesthetic Zone Clinical Realities: regenerative approaches versus prosthetic equivalents.</u> 2017 Summit on Advance Dental Implant Studies. Atlanta, Georgia. <u>Dental Implant Therapy for the Completely Edentulous Patient.</u> Redmond, Washington <u>Provisionalization in Implant Dentistry: the roadmap to predictable outcomes.</u> New Orleans, Louisiana
06/2017	<u>Advanced Treatment Planning and Restorative Considerations in Implant Dentistry.</u> Sponsor: Implant Educators. Seminole, Florida <u>The Role Provisional Restorations Play in Aesthetic Zone Immediate and Delayed Implant Loading.</u> Dallas, Texas
05/2017	<u>Treatment of the Completely Edentulous Patient with Removable and Fixed Implant Therapy.</u> Schaumburg, Illinois.

04/2017	<p><u>Implant Complications in the Partially and Completely Edentulous Patient. 3D Dental Implant Treatment Planning.</u> Sponsor: Dr. Michael Noffze, OMS. Fargo, North Dakota</p> <p><u>The Partially Edentulous Patient: dental implant complications and aesthetic zone treatment planning.</u> West Palm Beach, Florida</p> <p><u>Clinical Realities and Considerations for Aesthetic Zone Implant Therapy.</u> Virginia Academy of General Dentistry. Reston, Virginia</p>
03/2017	<p><u>Implant Complications in the Completely Edentulous Patient: Surgical and Restorative.</u> Sponsor: American Association of Oral and Maxillofacial Surgeons. Webinar.</p> <p><u>Dental Implant Therapy for the Completely Edentulous Patient: treatment planning and clinical considerations.</u> Costa Mesa, California</p> <p><u>Dental Implant Complications: treatment planning and restorative concepts to minimize failures and achieve patient expectations.</u> Sponsor: Siouland Oral and Maxillofacial Surgery Study Club. Sioux Falls, South Dakota</p>
02/2017	<p><u>The Partially Edentulous Patient: dental implant complications and aesthetic zone treatment planning.</u> Falls Church, Virginia</p>
12/2016	<p><u>AAOMS Dental Implant Conference: The patient with loss of function.</u> Chicago, Illinois</p>
11/2016	<p><u>Dental Implant Therapy for the Completely Edentulous Patient: treatment planning and clinical considerations.</u> Gilbert, Arizona and Downers Grove, Illinois</p>
10/2016	<p><u>Aesthetic Zone Dental Implant Treatment Planning. Complications in the Partially Edentulous Patient Treated with Dental Implants.</u> Indianapolis, Indiana</p> <p><u>Clinical Realities and Considerations for Aesthetic Zone Implant Therapy.</u> Sponsor: Florida Academy of Cosmetic Dentistry. Miami, Florida</p>
09/2016	<p><u>Dental Implant Treatment Planning and Restorative Considerations: Scientific and Clinical Update.</u> 21<sup>st</sup> Century Study Club. Oral and Maxillofacial Surgery Specialists. Minneapolis, Minnesota.</p> <p><u>Complications and Restorative Considerations in Implant Dentistry.</u> Indianapolis, Indiana</p>
08/2016	<p><u>Dental Implant Therapy for the Edentulous Patient: Overdentures and Fixed Restoration.</u> Littleton, Colorado and Redmond, Washington</p>
06/2016	<p><u>Complications in Implant Dentistry. Dental Implant Treatment Planning: Aesthetic Zone Multiple Missing Teeth.</u> Cincinnati, Ohio</p> <p><u>Aesthetic Zone Provisionalization in Dental Implant Therapy: the road map for enhanced treatment outcomes. 3D Implant Positioning.</u> Dallas, Texas</p>
05/2016	<p><u>Aesthetic Zone Provisionalization in Dental Implant Therapy: the road map for enhanced treatment outcomes.</u> Oklahoma City, Oklahoma</p> <p><u>Complications and Restorative Considerations in Implant Dentistry. Aesthetic Zone Treatment Planning. 3D Implant Positioning. Fixed Restoration of the Edentulous Maxilla. Indirect Immediate and Delayed Implant Provisionalization Techniques.</u> Implant Educators. Philadelphia, Pennsylvania and Seminole, Florida.</p>
04/2016	<p><u>Aesthetic Zone Dental Implant Therapy: Advanced Concepts and Clinical Procedures.</u> Sponsor: Dr. Dr. Jay P. Malmquist, OMS. Portland, Oregon.</p>
03/2016	<p><u>The New York Dental Forum. Treatment Planning &amp; Restorative Considerations Partially Edentulous Implants.</u> New York, New York.</p>

02/2016	<p>The Academy of Osseointegration, 2016 Annual Meeting. <u>Management of the Esthetic Zone: When to Perform Surgical Treatment and When to Perform Prosthetic Treatment.</u> San Diego, California.</p> <p><u>Aesthetic Zone Implant Therapy: Clinical Update.</u> Sponsor: Dr. Stephen Yallourakis, OMS. Kingston, Tennessee.</p> <p><u>Complications in Implant Dentistry.</u> Gilbert, Arizona.</p> <p><u>Aesthetic Zone Provisionalization in Dental Implant Therapy.</u> Glendale, Arizona.</p>
01/2016	<p>23rd International Symposium in Oral and Maxillofacial Surgery. <u>Fixed Implant Restoration of the Completely Edentulous Patient: Current Concepts versus Clinical Reality.</u> Kauai, Hawaii.</p> <p><u>Complications in Implant Dentistry.</u> Westlake, California and Orlando, Florida.</p> <p><u>Aesthetic Zone Provisionalization in Dental Implant Therapy.</u> Rodondo Beach, California and Seattle, Washington.</p>
11/2015	<p><u>Dental Implant Therapy: Restorative Complications; 3-D Implant Position; Provisionalization Soft-Tissue Manipulation and When to Use Pink Prosthetic Equivalents. The Root Submergence Technique.</u> Sponsor: Implant Educators. Seminole, Florida.</p>
10/2015	<p>USC 8<sup>th</sup> International Restorative Dentistry Symposium. "Lessons Learned..." <u>Dental Implant Therapy for the Completely Edentulous Patient: Current Concepts vs Clinical Reality.</u> Los Angeles, California.</p> <p><u>Complications in Implant Dentistry. Aesthetic Zone Provisionalization in Dental Implant Therapy.</u> Chicago, Illinois</p> <p><u>Dental Implant Treatment Options for the Completely Edentulous Patient.</u> Implant Coordinator Conference. Denver, Colorado.</p>
09/2015	<p><u>Provisionalization in Implant Dentistry: the road-map for successful treatment outcomes. Anterior Zone Treatment Planning. Minimizing Excess Cement in Implant Dentistry.</u> Sponsor: Dr. Lester Machado, OMS. San Diego, California.</p> <p><u>Complications in Implant Dentistry. Anterior Zone Treatment Planning.</u> Sponsor: Chicago Dental Association. Chicago, Illinois.</p>
08/2015	<p><u>Complications in Implant Dentistry. Aesthetic Zone Provisionalization in Dental Implant Therapy.</u> Seattle, Washington.</p>
05/2015	<p><u>Dental Implant Therapy: Restorative Complications; 3-D Implant Position; Provisionalization Soft-Tissue Manipulation and When to Use Pink Prosthetic Equivalents.</u> Sponsor: Continuing Dental Education of Baton Rouge Study Club. Baton Rouge, Louisiana.</p>
04/2015	<p><u>Restorative and Surgical Complications in Implant Dentistry.</u> St. Louis, Missouri.</p> <p><u>Dental Implant Therapy: Restorative Complications; 3-D Implant Position; Provisionalization Soft-Tissue Manipulation and When to Use Pink Prosthetic Equivalents.</u> Sponsor: Implant Educators. Seminole, Florida.</p>
03/2015	<p>The American Academy of Restorative Dentistry. 85<sup>th</sup> Annual Meeting. <u>Prosthetic Management of the Failed Implant Site: How to Develop Soft Tissue Profiles and When to Use Prosthetic Equivalents.</u> Chicago, Illinois.</p> <p><u>Complications in Implant Dentistry: treatment planning and restorative concepts to minimize failures and improve treatment outcomes. Aesthetic Zone Provisionalization in Implant Dentistry: the road-map for successful treatment outcomes.</u> Austin, Texas.</p> <p><u>Dental Implant Therapy: Treatment Planning for the Completely Edentulous Patient; Provisionalization Techniques; and Excess Cement Removal.</u> Sponsor: Maryland Center for Oral Surgery and Dental Implants. Hunt Valley, Maryland.</p>

02/2015	<p><u>Complications in Implant Dentistry: treatment planning and restorative concepts to minimize failures and improve treatment outcomes. Aesthetic Zone Provisionalization in Implant Dentistry: the road-map for successful treatment outcomes.</u> Lone Tree, Colorado.</p> <p><u>Excess Cement Challenges in Restorative Implant Dentistry. Anterior Zone Provisionalization Considerations in Implant Dentistry.</u> Sponsor: Dr. Robert Hinkle, OMS. Dublin, Ohio.</p>
01/2015	<p><u>Complications in Implant Dentistry. Anterior Zone Emergence Profile Soft-Tissue Manipulation and When to Use Pink Prosthetic Equivalents.</u> Sponsor: Dr. Michael Block, OMS, New Orleans, Louisiana.</p>
12/2014	<p><u>14<sup>th</sup> International Congress of Iranian Association of Prosthodontists. Dental Implant Treatment Planning and Provisionalization in the Aesthetic Zone.</u> Tehran, Iran.</p> <p><u>AAOMS Dental Implant Conference. The Art of Healing. Treatment Planning: pre-treatment assessment to determine the need for hybrid, fixed versus removable prostheses, and how to fabricate a provisional.</u> Chicago, Illinois.</p>
11/2014	<p><u>Aesthetic Zone Provisionalization in Dental Implant Therapy: the road map for enhanced treatment outcomes.</u></p> <p><u>Complications in Implant Dentistry: treatment planning and restorative concepts to minimize failures and improve treatment outcomes. successful treatment outcomes.</u> Seattle, Washington and Sacramento, California.</p>
10/2014	<p><u>Complications in Implant Dentistry: treatment planning and restorative concepts to minimize failures and improve treatment outcomes.</u> Las Vegas, Nevada.</p> <p><u>Dental Implant Aesthetic Zone Treatment Planning.</u> Sponsor: Commonwealth Oral and Facial Surgery, Richmond, Virginia.</p> <p><u>Aesthetic Zone Provisionalization in Implant Dentistry.</u> Sponsor: Dr. Dan Cullum, OMS. Coeur d'Alene, Idaho.</p> <p><u>Current Concepts in Dental Implant Treatment Planning for the Partially and Completely Edentulous Patient.</u> Sponsor: Dr. David Anson, Periodontist. Beverly Hills, California.</p>
08/2014	<p><u>Prosthetic Management of the Failed Implant Site: How to Develop Soft-Tissue Profiles and When to Use Prosthetic Equivalents.</u> ICOI Summer Implant Prosthetic Symposium. Chicago, Illinois.</p> <p><u>Complications in Implant Dentistry: treatment planning and restorative concepts to minimize failures and improve treatment outcomes.</u> Oklahoma City, Oklahoma</p>
07/2014	<p><u>Complications in Implant Dentistry: treatment planning and restorative concepts to minimize failures and improve treatment outcomes.</u> Fort Worth, Texas.</p>
06/2014	<p><u>Challenges in Anterior Implant Aesthetics: treatment planning and complications.</u> Pennsylvania Prosthodontic Society. State College, Pennsylvania.</p> <p><u>New Paths in Digital Treatment Planning.</u> Stony Brook, School of Dental Medicine: Update Digital Technology. New York, New York.</p>
05/2014	<p><u>Fixed Restoration of The Edentulous Maxilla: all-on-four vs 6 vs 8?</u> Sponsor: Dr. Ben Foley and Dr. Dan Foley, Oral and Maxillofacial Surgeons. Boulder, Colorado.</p> <p><u>Complications and Restorative Considerations in Implant Dentistry.</u> Implant Educators. Philadelphia, Pennsylvania and Seminole, Florida.</p>

04/2014	<u>Dental Implant Aesthetic Zone Complications: treatment planning and restorative concepts to minimize failures and achieve patient expectations.</u> Sponsors: Dr. Ben Foley and Dr. Dan Foley, Oral and Maxillofacial Surgeons. Boulder, Colorado.
03/2014	<u>Overdenture Implant Therapy: current concepts and techniques.</u> Sponsor: Dr. Aziz Bohra, Periodontist. Phoenix, Arizona. <u>Aesthetic Zone Provisionalization in Dental Implant Therapy: the road-map for enhanced treatment outcomes.</u> Sponsors: Dr. Ben Foley and Dr. Dan Foley, Oral and Maxillofacial Surgeons. Boulder, Colorado. <u>Complications in Implant Dentistry: treatment planning and restorative concepts to minimize failures and improve treatment outcomes.</u> Washington, DC.
02/2014	<u>Dental Implant Treatment Considerations Update: complications, 3-D implant positioning, provisionalization in the aesthetic zone.</u> Richmond Dental Association Annual Meeting. Richmond, Virginia. <u>Top Down Approach to Dental Implant Treatment Planning: parameters for success.</u> Sponsors: Dr. Ben Foley and Dr. Dan Foley, Oral and Maxillofacial Surgeons. Boulder, Colorado.
01/2014	<u>Overdenture Implant Therapy: current concepts and techniques.</u> Sponsor: Dr. Megan Ratliff, Periodontist. Glenview, Illinois.
12/2013	<u>Complications in Implant Dentistry: treatment planning and restorative concepts to minimize failures and improve treatment outcomes.</u> Sponsor: Northwest Oral and Maxillofacial Associates. Jasper, Georgia.
10/2013	<u>Parameters for Aesthetic Success for Implant Restoration.</u> Sponsors: Dr. Donna Moses, Periodontist. Carrollton, Georgia. <u>Complications Forum: prosthetic management of the failed implant site.</u> American Association of Oral and Maxillofacial Surgeons, 95 <sup>th</sup> Annual Meeting. Orlando, Florida.
09/2013	<u>Complications in Implant Dentistry. Overdenture Treatment Planning.</u> Minnesota Academy of Comprehensive Dentistry. Minneapolis, Minnesota. <u>Dental Implant Restoration of the Edentulous Maxilla. Complications in Implant Dentistry.</u> Louisiana Society of Oral and Maxillofacial Surgeons.
06/2013	<u>Complications and Advanced Treatment Concepts in Implant Dentistry.</u> Implant Educators. Philadelphia, Pennsylvania and Seminole, Florida.
05/2013	<u>Incorporation of CAD-CAM Technologies in Dental Implant Restoration of the Completely Edentulous Patient. Implant Dentistry Clinical and Scientific Update: abutment selection.</u> Sponsor: ROE Dental Laboratories. Cleveland and Columbus Ohio. <u>Maxillary Arch Dental Implant Overdenture Therapy: current concepts and techniques.</u> ICOI's Spring Implant Symposium. Las Vegas, Nevada. <u>Complete Dentures: the gateway to dental implant therapy.</u> Northeast Gnathological Society. New York, New York. <u>Restorative Realities and Challenges of the Partially and Completely Edentulous Patient.</u> Sponsor: Dr. Jay Malmquist, Oral and Maxillofacial Surgeon. Portland, Oregon.

04/2013	<p><u>Incorporation of CAD-CAM Technologies in Dental Implant Restoration of the Completely Edentulous Patient.</u> American Academy of Cosmetic Dentistry, 29<sup>th</sup> Annual Scientific Session. Seattle, Washington.</p> <p><u>The Challenges of Treating the Edentulous Maxilla.</u> Southern California Orofacial Academy, 11<sup>th</sup> Annual Spring Scientific Meeting. Los Angeles, California.</p> <p><u>Complications in Implant Dentistry: treatment planning and restorative concepts to minimize failures and improve treatment outcomes.</u> Denver Implant Study Club. Denver, Colorado.</p>
03/2013	<p><u>Implant Therapy for the Edentulous Patient: current concepts and techniques.</u> Academy of Osseointegration 28<sup>th</sup> Annual Meeting. Tampa, Florida.</p>
02/2013	<p><u>Overdenture Treatment Planning. Dental Implant Complications: excess dental cement.</u> Sponsor: Dr. David Anson, Periodontist. Beverley Hills, California.</p> <p><u>Complications in Implant Dentistry: treatment planning and restorative concepts to minimize failures and improve treatment outcomes.</u> Sponsor: Dr. Aziz Bohra, Periodontist. Phoenix, Arizona.</p> <p><u>Treatment of the Fully Edentulous Patient: prosthetic implant solutions.</u> 1<sup>st</sup> Dental XP International Conference. Las Vegas, Nevada.</p>
01/2013	<p><u>Overdenture Implant Therapy: treatment planning and complications.</u> Sponsor: Institute for Dental Implant Awareness. San Diego, California.</p>
12/2012	<p><u>Complications in Implant Dentistry: treatment planning and restorative concepts to minimize failures and improve treatment outcomes. Aesthetic Zone Provisionalization in Dental Implant Therapy.</u> Sponsor: Peninsula Dental Society. Dr. Leonard E. Schiffman, Oral and Maxillofacial Surgeon. Long Island, New York.</p> <p><u>Overdenture Implant Therapy: current concepts and techniques.</u> Sponsors: The Georgia Dental Laboratory Association and Heraeus Dental. Atlanta, Georgia.</p> <p><u>Aesthetic Zone Provisionalization in Dental Implant Therapy: the road-map for enhanced treatment outcomes.</u> BioHorizons Evolution Series. Scottsdale, Arizona.</p> <p><u>Restoration of the Atrophic Maxilla.</u> American Association of Oral and Maxillofacial Surgeons Dental Implant Conference. Chicago, Illinois.</p>
11/2012	<p><u>Dental Implant Aesthetic Zone Complications. Incorporation of CAD-CAM technologies in Edentulous Fixed Implant Restorations.</u> The Greater New York Dental Meeting.
